

Instructions for registering for our webshop as a new customer

New customers are all users whose e-mail address is not stored in our system. If you work for an institution that is already a customer of ours but your e-mail address is not stored with us, our system will still consider you to be a new customer.

In this case please use the dedicated form so that we can add you to your existing company in order for you to register as an existing customer.

1. Click here to register.
